How to Show Love in America for Valentine's Day

By Stacie Ruth Stoelting

First of all, Valentine's Day presents major opportunities to share Jesus' love at a prime time! You see, as we know, Valentine's Day catalyzes acute cases of loneliness at an epidemic rate in America. And the sufferers include a wide range of people: widows and widowers,

divorced people, singles, military men and women serving away from home, unhappily married people, etc. This is an opportunity for us as Christians to share Jesus' love and comfort. I love this passage from II Corinthians 1:3-5 (ESV):

"Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort,

This Month's Bible Verse

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

who comforts us in all our affliction, so that we may be able to comfort those who are in any affliction, with the comfort with which we ourselves are comforted by God. For as we share abundantly in Christ's sufferings, so through Christ we share abundantly in comfort too."

In fact, the best way to love America is to love Americans with Christ's love and love the Lord, who allowed America to be founded.

Look around you: In America, a lot of people's hearts ache today. Be the deliverer of Christ's comfort. Let's cover the main heart health trouble in America and answer it with God's Word:

- Are you lonely? Jesus IS with you. In Matthew 28:20, Jesus Christ Himself said, "I am with you all the days (perpetually, uniformly, and on every occasion), to the [very] close and consummation of the age."
- Are you persecuted and rejected? He will help you shake the dust off your feet and enter new territory for His kingdom. Jesus said, "And wherever they do not receive and accept and welcome you, when you leave that town shake off [even] the dust from your feet, as a testimony against them." (Luke 9:5)
- Are you afraid? Let the Lord draw you close to Himself and carry you. "Even to your old age I am He, and even to hair white with age will I carry you. I have made, and I will bear; yes, I will carry and will save you." (Isaiah 46:4)
- Have you been forsaken by a person or group of people? Embrace Christ and realize that He will never forsake you. "...He [God] Himself has said, I will not in any way fail you nor give you up nor leave you without support. [I will] not, [I will] not, [I will] not in any degree leave you helpless nor forsake nor let [you] down (relax My hold on you)! [Assuredly not!]" (Hebrews 13:5, AMP)

And now it's your turn. Ask the Lord to bring someone to mind that needs to hear from you. Perhaps it's a veteran. Perhaps it's a military family. Or could it be one of your loved ones with whom you've lost touch? With prayer, share the truth in the preceding points and Scriptures with that person or group of people.

Good News: Rick and Karen Santorum have written a new book called Bella's Gift. Released near Valentine's Day, Bella's Gift is a book that will touch your heart. It is a must-read. Read more about it here:

On May 13, 2008, the Santorum family welcomed their eighth child into the world. Isabella Maria was born with a rare genetic condition called Trisomy 18, or Edward's Syndrome. Only 10 percent of children with Trisomy 18 are born alive, and 90 percent of those children do not make it to their first birthday. Faced with these bleak statistics, doctors told the family to prepare for Bella's death. Instead, they chose to celebrate her life.

Over the next six miraculous years, the Santorum family adjusted to life with a special needs girl-and watched her transform the lives of everyone around her. In many days of sickness and joy, she became an

Let us share about the One who binds up the wounds of the brokenhearted! Again, to love America well, each of us must love our fellow Americans and our Lord, who allowed America to be founded in the first place. Now, the real question remains: Near Valentine's Day, will you share Christ's love in America?

inspiration to her community and, ultimately, to the nation. Bella's Gift details the peaks and valleys, the joys and sufferings, and the incredible value of life with a special needs child. In a world that often measures worth according to usefulness, Bella's story is a reminder that our real value lies in our capacity to love.
